# Oi-Lin® Skincare

## Herbal Luxury for Timeless Beauty

Rooted in love and care, Oi-Lin Skincare was created by Dr. Chen as a “love letter” to his wife, Oi-Lin. He carefully developed an anti-aging skincare line gentle enough for even the most sensitive skin.

Simple yet luxurious, the Oi-Lin collection includes a signature 4-step routine designed to nourish, cleanse, balance, and hydrate your skin for a smooth, youthful-looking complexion.

A daily skincare regimen that renews, revives, and repairs:

### 1 OI-LIN Cleansing Cream

Our oil-based cleanser gently melts away makeup, sunscreen, and other oil-based impurities, for a deep cleanse of your pores. Going beyond cleansing, it soothes, nourishes and protects with aloe vera, squalane, and green tea.

### 2 OI-LIN Revitalizing Cleanser

This gentle, effective cleanser removes impurities without stripping away essential moisture. Blending the benefits of a cleanser with the soothing effects of a mask, it leaves skin soft, smooth, and hydrated.

### 3 OI-LIN Facial Toner

This alcohol-free toner soothes and refreshes while gently removing residual dirt and oil. Free from harsh ingredients, it's perfect for sensitive skin, leaving it prepped for smooth, even application of moisturizers and foundation.

### 4 OI-LIN Deep Moisture Lotion

Lightweight and easily absorbed, this luxurious lotion leaves skin smooth, supple, and deeply hydrated. Even the driest complexions are left feeling quenched and revitalized.
