

# DR. CHEN<sup>®</sup>

## NIGHT RENEWAL SERUM

Inspired by Eastern herbal wisdom and Western skincare innovation, this fast-absorbing night serum hydrates, smooths, and supports the skin's natural microbiome. While you sleep, powerful ingredients work to reduce the look of uneven texture—so skin looks renewed, more even toned, and refreshed by morning.

# Recharge

YOUR RADIANCE

## Midnight Moisture, Morning Magic

This nighttime serum combines hydration-boosting ingredients with microbiome-supporting ingredients to moisturize, refine, and reinforce the skin's natural barrier. Its silky texture absorbs quickly, working overnight to enhance the look and feel of your skin.

- Boosts hydration for a plumper-looking, smoother complexion
- Supports the skin's natural microbiome
- Refines the appearance of texture on the skin
- Made with nature-inspired ingredients

### INGREDIENT HIGHLIGHTS

#### SODIUM HYALURONATE & HYALURONIC ACID

A deeply hydrating duo that attracts and retains moisture, leaving skin visibly plumper and smoother.

#### LACTOCOCCUS FERMENT LYSATE

A probiotic ingredient that helps balance the skin microbiome.

#### VITIS VINIFERA (GRAPE) FRUIT EXTRACT

A potent antioxidant that helps reduce redness for a more even tone and defend against environmental stressors that accelerate visible signs of aging.

#### POLYGLUTAMIC ACID

A moisture-locking powerhouse that smooths skin and reduces the appearance of rough texture.
